Holiday Gift-Giving Programs

Adopt Our Families

Each year during the holiday season, generous members of our community purchase gifts for the families we serve. A "family" may be a single person, a senior couple, or a parent and children. Donors can request what size family they would like to help and CFPA will match them with the best fit.

If you would like to be involved with "Adopt Our Families" this holiday season or would like more information, please contact Samantha-Rose Brody at (309)691-0551 or sbrody@centerforpreventionofabuse.org no later than **Friday, November 13.**

All unwrapped gifts must be delivered to CFPA by Monday, December 7.

Gift bags, wrapping paper, tape, scissors, and tissue paper donations are always appreciated.
